The hotel team will be able to offer you any guidance that you may require. We respectfully request that you adhere to local regulations, acknowledging that these may be different to those that you are used to back in the UK.

The hotel team will lightly service your room on a daily basis. If you would prefer that your room is not serviced during your visit, please let reception know.

Hotel Facilities

Breakfast

Breakfast is served in the breakfast room, located opposite the reception desk. Breakfast is served between 0730 and 0930 daily. Breakfast is a self-serve continental buffet with croissants and other viennoiseries, cereals, fruit, yoghurts, fruit juices and hot drinks.

Bar

The bar is located on the ground floor and is open all day Monday-Sunday and closes at 1am. Drinks can be charged to your room.

Restaurant

The 3-course evening meal is served between 1900 and 2000h and will be accompanied by a quarter litre of house wine per person.

The restaurant is situated on the ground floor. The menu for the following day is displayed a day in advance. Please let reception know as soon as possible/by the morning of the meal should you have any dietary requirements, as the kitchen will endeavour to arrange a replacement for you.

If you have communicated any specific dietary requirements to us, please confirm these with the hotel reception staff.

Internet Access

Wireless Internet (WIFI) is available throughout the hotel. The WIFI password should be in your welcome envelope, which is provided on check-in. If you do not have a WIFI code, please request one at reception.

T.V.

There is a TV available in the breakfast room; please note, this will show French speaking channels only.

Towels

Towels are provided for all guests. Your towels will *not* be changed during your stay, unless you specifically make a request at reception.

Pillows and Blankets

Additional spare blankets and pillows are available - should you require any, please ask at reception.

Room Keys

You will be given your room key on arrival – you are advised to keep this key on you for the duration of your stay.

A lost key replacement charge of €30 will be applied in the event of any lost keys.

Ski Weekender Contact

Our transfer driver will have given you a brief resort overview; we don't have our team onsite at the hotel consequently the hotel team should be your first point of contact throughout your stay and are happy to help answer any queries or requests you may have.

If you require additional support/information over and above what the hotel team can offer, please call our **The Ski Weekender office** in France on +33 450 51 61 95 or our French based Duty Manager on our Duty Mobile + 44 (0)7898 252 301

Ski Hire

Le Paret Sports, situated at the foot of the Joyere gondola lift, offers our guests a 10% discount, along with *consigne* facilities whereby you can store your skis and boots at the shop at the end of the day to make your trip back to the hotel more convenient in comfortable shoes.

You will find ski hire discount vouchers within your Ski Weekender Welcome Pack, which you should have received on check-in. Please ask at Reception if you have not received your Welcome Pack.

Ski Lift Pass

As we have arranged lift passes on your behalf, you should have received this in your Welcome Pack, given to you by reception upon arrival. Your lift pass is a full Aravis lift pass and gives you access to the extensive skiing at both Le Grand Bornand and La Clusaz. It also gives you free transport on the inter-station ski buses.

A ski bus timetable and Aravis piste maps should also be included in your welcome pack.

You should carry the lift pass, along with the paper receipt, with you at all times when on the mountain. The paper receipt serves as proof of purchase and will facilitate the issuing of a replacement pass, in the off-chance that your pass is faulty, or you lose it.

Your lift pass should be worn in a pocket on the left side of your body. Mobile phones can interfere with the magnetic properties of the lift pass and should not be carried in the same pocket as your lift pass.

Please help us out by returning your lift pass to reception on the day of your departure.

Ski Lockers

If you decide to bring your skis back to the hotel, there is a ski storage facility on the ground floor of the hotel. Please take care when carrying your skis through the hotel reception area.

Ski Lessons

If you have asked us to arrange ski lessons on your behalf, all details regarding this will be **sent by text message** to the mobile number you provided at the time of booking. Please ensure this number is contactable in France and remember to check it regularly.

Please note that any lessons that you have pre-booked through Ski Weekender will need to be paid for locally and as such, will be invoiced to you to settle on departure.

If you require lessons over and above those that we have arranged for you, please book and pay for these directly at the ESF office located in the Tourist Office in the centre of Le Grand Bornand or call them on +33 (0)4 50 02 79 10.

The meeting point for ski lessons is in the area immediately upon exiting the Rosay gondola lift. Your lessons have been booked with the **École du Ski Français (ESF)** under the reference of *Ski Weekender*. ESF instructors are dressed in a red uniform, with ESF badges prominently displayed and a name badge. If you are unable to locate your specific instructor, any ESF team member should be able to assist you.

Ski Buses

Both your ski lift pass and the Cartes d'Hotes card, supplied to you upon arrival, give you access to the local buses travelling around Grand Bornand, including Chinaillon. Please ensure that you carry one of these with you, as bus drivers may ask you to present it. Please ask for a Cartes d'Hotes card at Reception, if you have not received yours.

Access to La Clusaz is by the inter-station Ski Bus which links the resorts of Le Grand Bornand – Saint Jean de Sixt – La Clusaz. This is a regular bus service that runs through the day and takes approximately 10 minutes. A bus timetable is included in your welcome pack. Please note that the inter-station bus departs from the foot of the ramp leading up to the Rosay gondola lift and does not make any stops through the village centre other than at the main Gare Routiere (bus station). If you are planning to ski at La Clusaz, it is worth considering using the *consigne* facility at **Le Paret Sports** for convenience, as it is close to the pick-up and drop off of the inter-station bus service.

Please note that the late return buses can be very busy at peak times, particularly during French school holidays and at weekends; we would recommend catching the 1630ish bus, at the latest!

The last inter-station bus returns at 1800!

Check-out and Departure

Check-out time from your room is 1000h. Please check out of your room **before** you head up the mountain to ski. The hotel is happy to store your luggage whilst you are out skiing on your last day; please drop your bags off at the 'Ski Room' on the ground floor at check out.

There is a bathroom and toilet available for your use on the first floor of the hotel after skiing on your last day if you have checked out of your room and need to freshen up before your trip home. Facilities are limited, so please allow sufficient time to change and shower ahead of your transfer pick-up time.

Your departure times will be posted on the Ski Weekender notice board within the hotel the evening prior to your departure. If there are any late changes to your pick-up time, these will be texted to you. Please ensure that we have a mobile number we can contact you on whilst you are in France.

You will be asked to settle your 'hotel tab' at check out as well as any additional services that we may have arranged on your behalf, such as early transfers and pre-booked lessons. Cash and cards (except American Express) are accepted.
